NEW CHALET OFFERS AFFORDABLE-LUXURY AND ENTERTAINMENT FOR THE WHOLE FAMILY

What's new? La Marquise is Première Neige's newest addition to the Sainte Foy resort. From its white leather sofas to the balcony hot tub, the new chalet offers a combination of comfort and luxury, at an affordable price. The chic space sleeps up to 16 people and can be rented out exclusively or on a room-by-room basis. Located only 150 metres away from the main lifts at Sainte Foy, La Marquise is practically a ski in/ski out location, ideal for families who want to wake up on the slopes.

Activities: Sainte Foy offers skiing for skiers of all levels (including off piste and heliskiing), as well as private lessons and a ski school. If skiing isn't for you, the resort offers a variety of other activities to keep you entertained. From helicopter rides over the Tarentaise Valley to snow-shoeing over to the farming hamlets of Le Planay, husky riding or ice diving in the lake at Tignes Le Lac. There are also several indoor public swimming pools in Sainte Foy that families can take advantage of, or head over to [Le Kitzbühel](#) in La Rosière; these bowling lanes offer theme nights that are sure to be a hit with the whole family.

If the adults want to take a day off, Première Neige makes sure that the younger members of the family are well looked after with their Snow Cub Crèche for six months to three years olds, and Snow Patrollers Kids' Club, for four to 10 year olds. Snow Cub Crèche is in the centre of Sainte Foy and is filled with toys; it also includes a central play area, a separate sleeping room, a dining area, and has the luxury of underfloor heating, so is cosy.
